All prices in our billing portal will be shown **exclusive VAT** at check out the correct VAT will be calculated according to the rules below.

Value Added Tax is calculated according to the below rules:

European Customers:

- Individuals and companies within the Netherlands: You will pay the price as mentioned at your order at www.040support.nl (value added tax is always added to your payment). VAT rate for the Netherlands is currently 21%
- Companies outside the Netherlands: You will pay the price without value added tax upon submitting your valid VAT ID and verification of it (this will be an automated process in 90% of the cases, if you have a valid VATid but after submitting all information you still receive an invoice by mail inclusive VAT please contact us ASAP and we will update this for you after manual verification).
- Individuals within Europe always pay VAT (as per 2015 the VAT rate applied will be the current VAT rate in the country you are ordering from).

Non-European Customers:

- You will pay the price as mentioned on the website www.040hosting.eu (exclusive Value Added Tax).
